The time grade of selection to keep land of less the early of the possion of the edge. The only legal of left and the consequence is a sirtual less, or a first a failure, in gain by the refer to the legal of left and the consequence is a sirtual less, or a first a failure, in gain by the refer to the legal of less than the consequence of the edge. They have for it a constitution with the Admittal of less than the results of left and the consequence of the edge. The time was when he left quit and used under the was when he left quit and used to the was when he left quit and to the condent the was when he left quit and to the day when he left quit and the condent the was when he left quit and to the day when he left quit and to the day when he left quit and to the day when he left quit and to the day

Democracy are even more forward in the cast and vances to their Free oil allies. In New Y rk. It is sent to say it in a city as Louisville. — The Aith the Gardinal and family were attlied given at their given as format of a special paper stell as that the Gardinal and family were attlied given at their given as format of a special paper stell as that the Gardinal and family were attlied given at their grants. The Exist sent as a special paper stell as the grants and family were attlied given and their grants and family were attlied given and their grants. The Exist sent as a special paper stell as the grants and family were attlied given and their grants and family were attlied given and their grants and g wanted and adopted the winnot from so, and only first control to the fir

Americans and avowed by the Republicans, that out the courtry: and, if any thing could, this certainly should,

With the Democratic party the case is al'ogether different; there are here and there small knots of Democ ats who refuse to coalesce with the anti-slavery party, but they are exceptively and the spin of the art hand to another hand to the spin of the art hand to another hand to the spin of the art hand to the spin of the s with the auti-slavery party, but they are excep-tions to the general rule. The Northern wing of the party is openly wedded to the black republican movement. The party is in fact already rent asunder and completely divided and sectionalized. It has no hope of success ex-Abolition wing, and such a movement is ac ally in progress among the Democratic leader. The few Democratic papers in the South which entertain more love for principles than hunger for spoils sorrowfully acknowledge the hope-

less condition of their party.

The Charleston Mercary, a high Democratic authority in the South, thus laments the Abolitionism of the Northern Democracy and the utter prostration and denationalization of the

We have no faith in the ability of the Demo-cratic party. It has been overwhelmed at the North by Abolition, and is powerless, either for its own national ends, or the protection of

and slicks with able to the rock along the rock along to the body.

Fatal Affray.—An alray occurred in this county on last Friday about four mile from towns, between Abexander Dampier and The man Nortons, which resulted in the death of the former. I appears that a quarred arose between Norton and a young man named Dougierty, in which Dampier took a part; this led to some words between Norton and Dougierty, in which Dampier took a part; this led to some words between Norton and Thompier, and a fight ensured, in which Dampier received two pistol shotsfrom Norton.

One of the balls passed entirely through his back; the other ball lodged in the thigh and was extracted by Dr. Ambrose of this place.

Dampier lived until Saturday, and died about 10 a/clork, A. M.

Norton field the county on Saturday morning, and was last seen at Paris
